

In recognition of Natl. Child Abuse Prevention Month, please join the

# Harford County Child Advocacy Center

and our community partners for an Adverse Childhood Experiences (ACEs) double feature

## RESILIENCE: The Biology of Stress & The Science of Hope

which chronicles the birth of a new movement among pediatricians, therapists, educators and communities, who are using cutting-edge brain science to disrupt cycles of violence, addiction and disease. (Running time 60m)

Watch the trailer here: <http://kpjrfilms.co/resilience/>

## PAPER TIGERS: One high school's unlikely success story

which follows a year in the life of an alternative high school that has radically changed its approach to disciplining its students, becoming a promising model for how to break the cycles of poverty, violence and disease that affect families. (Running time 102m)
